We invite you, your family, and friends, to come and join us at our 21st annual Walk to Remember Event.

The event will include a stroll along the credit river, a balloon release ceremony, yoga, drumming circle, didgeridoo, a silent auction and so much more!

**A FORMAL INVITATION WILL BE SENT OUT  
IN THE FOLLOWING WEEKS.**

Due to the amount of butterflies that were harmed in transportation previous years we are so excited to offer biodegradable message carrying dove balloons this year, while keeping with our annual traditions.
