Text with 9-1-1 (T9-1-1)

T9-1-1 is a service available to you if you are part of the deaf, deafened, hard of hearing or speech impaired (DHHSI) community in Canada.

During an emergency, T9-1-1 provides 9-1-1 call centres with the ability to converse with you using text messaging.

Before utilizing this service, you:

- Must register for T9-1-1 with your [wireless service provider](#); AND
- Must have a compatible cell phone. Information on cell phones that meet T9-1-1 requirements are available on your [wireless service provider's](#) Web site.

Text 911 is available in 500+ Communities Across Ontario. Please visit this link for a full listing:
<https://www.textwith911.ca/en/service-availability/ontario/>

**** Note: You must let your phone company (e.g., Telus, Rogers, Bell, etc.) know you want to register for the Text 911 service (you have to ask to be added to the Text 911 service list) as soon as possible, in order to use this service if a crisis happens in the future. For more information: <http://textwith911.ca/en/home/>***
